

2022-23 Title I Part A, Title I Part D, Title II Part A & Title III Final Allocation Changes

For the 2022-23 school year, the NYSED Office of ESSA Programs has announced final 2022-23 allocations for the Title I, Part A; Title I, Part D; Title II, Part A & Title III programs for all Local Education Agencies (LEAs). Updated allocations will be available online at: <http://www.nysed.gov/essa/allocations-poverty-data-and-student-counts>.

The adjustment from preliminary allocations posted in May 2022 to the final allocations that were posted in January 2023 is due to changes in student count data and state-level allocations calculated by the United States Department of Education.

LEAs should visit their NYSED Grants Finance page by:

The 2022-23 ESSA Allocation Report will provide your LEA with information such as updated Title I, Part A allocations, updated Title I, Part D allocations, updated Title II, Part A allocations, approved budget amounts, and available carryover funds. Adjustments to budgets for these Titles for the 2022-23 school year can be made in a timely manner. LEAs should visit the ESSA Allocation Report page for more information.

IF YOUR 2022-23 ALLOCATION HAS INCREASED:

If the amount of the district's final allocation increased you can choose to:

- Submit a Budget Amendment (FS-10A) to request the additional funds for use during the current project period, OR
- Take no action and carry over the increase into the 2023-24 school year. Please note, that for Title I Part A funds, carryover funds cannot exceed 15% of the 2022-23 allocation.

LEAs may also carryover funds from 2022-23 into 2023-24 via the same Budget Amendment (FS-10A) process.

IF YOUR 2022-23 ALLOCATION HAS DECREASED:

If the amount of the district's final allocation decreased:

The LEA will need to submit a Budget Amendment (FS-10A) to request the approved 2022-23 allocation.
